5–12NM Solar Marine Lantern

SL-C500

The Sealite Advantage

- Up to 12NM visible range
- Multiple lens divergences for fixed or floating applications
- · Complete unit ready for immediate installation
- · Impact & weather resistant polyethylene
- PC or IR Programmer for setup, diagnostic & testing

The SL-C500 is a completely self-contained 5-12NM Solar LED Marine Lantern designed for a range of low-maintenance applications.

The light boasts a large internal battery compartment, a SL-155 Series LED light-head and 4 premium-grade 10 watt solar modules mounted to collect sunlight at all angles.

The SL-C500 is moulded from UV-stabilised, virgin polyethylene, providing enormous impact and weather resistance, in addition to high visibility IALA colours.

The user-friendly, 2-piece design allows the lantern to be opened for convenient battery inspection or replacement whilst the base remains fixed to the supporting structure.

Advanced PC or IR Programming

Sealite's convenient PC Configuration Tool or IR programmer allows a host of features to be user set including;

- · Multiple intensity settings
- 310 flash settings including custom character
- Automatic effective intensity adjustment
- Adjustable on/off lux levels
- Low battery threshold
- · GPS synchronisation offset
- Alarm conditions

Optional GPS Synchronisation

The SL-C500 may be fitted with an optional GPS module for flash synchronisation.

Optional GSM Monitoring & Control System

The SL-C500 lanterns may also be fitted with a GSM Cell-Phone Monitoring and Control System enabling users to access real-time diagnostics data and change lantern settings via cell-phone. The system can also be configured to send out alarm SMS text messages to designated cellular telephone numbers. Users can also have alarms and reports sent to designated email addresses.

Optional Type 1 or Type 3 AIS

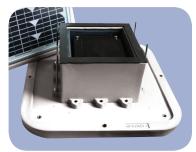

The SL-C500 lanterns are available with a class-leading integrated, low-powered Type 1 or Type 3 AlS. When fitted, the AIS is encapsulated within the body of the SL-155 to maintain the weatherproof integrity.
